

## Life Means Swimming Upstream

There is something even better  
than being good:

*fighting for it.*

This world is a place for  
progress, not perfection.

Strive for Greatness.

Being alive means swimming  
upstream.

A Yetzer Hara is a sign of LIFE!

Even mistakes are meaningful  
and purposeful when they  
become part of the solution.

God cherishes your efforts to  
improve even more than  
perfection.

The first step in a personal  
accounting is to count your  
successes, to know your  
strengths.

Not choosing is also a choice.

## CHOOSE LIFE!
